Rejuvenating Women End of Year Giving

Omaha, NE — Human trafficking earns profits of roughly \$150 billion a year for traffickers. It is a hidden crime, targeting vulnerable adults and exploiting children.

Rejuvenating women is a nonprofit organization committed to bringing respite to those trafficked in Nebraska and throughout the country. Rejuvenating Women aids in the prevention of future human trafficking by providing long-term and short-term housing and healing programs for those in recovery.

Help Rejuvenating Women lift the veil on human trafficking by making an end of year donation to help bring security and support to those in need. When your organization gives to Rejuvenating Women, your gift goes toward building a brighter future and safe home for both labor and sex-trafficked survivors. Here are some of the ways your organization's donation can help:

- **\$5000** Monthly cost to operate Rejuvenating Women Home
- **\$2500** Monthly cost for 4 residents to participate in equine therapy
- **\$1000** Monthly cost for groceries and medication for 4 residents
- **\$500** Annual cost for curriculum & programming supplies for one resident
- **\$250** Monthly cost for RW caseworkers access to Electronic Medical Records for HIPPA compliance

If you would like to donate, information on giving can be found [here](#), or please email info@rejuvenatingwomen.org for more details.
